

GoldStar can take the stress out of searching for the right candidates for either full time or part time contract workers, specializing in merchandising jobs, assembly work, fixture installation projects, carpentry jobs, janitorial jobs, demo and in store sampling.

GoldStar identifies prospective candidates from our established national database of more than 7,000 ready to go laborers.

Contract Employees

GoldStar has staffed several programs for PIC's and MSO's offering custom solutions for each specific project need. GoldStar offers full accountability through pre-screening, background checks and drug screens.

Contract to Hire

This program gives you the opportunity to evaluate the skills and work habits of a candidate before being offered a full time position. After working 500 hours, you can hire the candidate at no charge. This arrangement can help you eliminate bad hiring decisions, test a candidate's skills, ensure a fit with your culture and reduce employee turn-over.
